Summary of reasons for decision:

The publication is an explicit photograph of a man performing sexual acts on a young girl. The image is a record of child sexual abuse and clearly intended for distribution among adults with a sexual interest in children. It promotes and supports the exploitation of children for sexual purposes and is deemed objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993. Although this is an interference with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990, this outcome is reasonable and demonstrably justified given the conduct involved. It reflects the concern of society to protect its young and vulnerable members from sexual exploitation.
